Seminar Highlights

In this seminar, Professor Wright will provide some reflection on the qualitative studies. He is interested in how undergraduate, graduate and doctoral learning and teaching are accomplished, organizational theory, qualitative research methodologies, judgment and philosophy. Following the seminar, graduate students have the exclusive opportunity to engage directly with Professor Wright in interactive sessions, gaining valuable research insights firsthand.

If you're keen on an in-person interaction, kindly express your interest by **31st, October**. Please note that due to high demand, a limited number of slots will be allocated. Priority will be given to those who register early.

Intended Participants:

This seminar is open to faculty members and students of the Graduate School of Business Administration who are interested in qualitative research methods. Members from other graduate schools are also welcome to join us for a profound discussion.

✉ Contact: For inquiries, please contact Dr. Yiting Weng, GSBA of Kobe University (wengyt[at]people.kobe-u.ac.jp).
